Benefit Guide·······

Light-up ID and Ringer ID*¹
■ Visual identification
You can identify the caller by the illuminating colour of
the Light-up indicator, e.g., "blue" for dad, "green" for
grandpa, "amber" for mom.

On some models, available colours
are red, green, and amber.

Up to 8 Multi-Handset Capability/ **MultiTalk**
EXPANDABLE TO
Up to 4-Way Conference Calling

■ A handset for every room
Everyone in your family can have their own telephone
handset, or you can place different handsets in different
rooms, such as the kitchen, bedrooms, living room, den, etc.

Child's Room

Study Room

Kitchen

■ Private extensions
When multiple handsets are available, you can enjoy
handset-to-handset talking, or have conference calls with
outside parties (up to 4-way).

Applicable: KX-TG5961ALS.

·· 5.8 GHz/2.4 GHz Gigarange
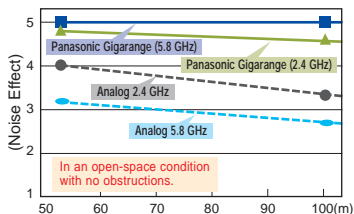

Shock/Splash-Resistant*2
■ Tough and Durable

Hi, grandpa!

*1 Requires subscription to a Caller ID, Voice Mail and/or SMS service offered by a
telephone company.
*2 Phones have not been designed to be fully immersed or held under running water.

Benefit Guide

Multi-Handset Expandability

Up to 6 handsets can be
registered with a single base
unit for added convenience.
(Optional handset/charger is
required).

Applicable: All 1.8 GHz GIGARANGE
models. (except KX-TG1811/TG1812/
TG1813ALS).

Polyphonic Ringer Melody

■ No more harsh ring tones
Instead of unpleasant monophonic
ring tones, you can hear a high-
quality ringer melody when there's
an incoming call.

■ Selectable ringer melodies
You can choose your favourite ringer melody
according to your taste or depending on the caller.*

Applicable: All 1.8 GHz GIGARANGE models. (except KX-
TG1811/1812/TG1813ALS).

1.8 GHZ Gigarange

Voice Enhancer

■ Clearer voice
The voice at the other end is clearer and easier to hear, ensuring smooth communication without repetition.

■ Higher volume
Higher volume level allows you to talk comfortably even during loud parties.

Applicable: KX-TG1840/ TG1843ALS.

Night Mode
A simple way to eliminate those annoying late night calls and get a good night's sleep. You can set the phone not to ring during a specified time period.

Applicable: KX-TG1840/TG1843.

Benefit Guide········

All Digital Answering System

■ No tape required
As the voice message is stored in memory instead of on a tape cassette, there's no worry about tangling or wear.

■ Quick access operation
No need for fast-forwarding or rewinding. You can instantly access the next message or play back the previous one.

Applicable: KX-TG5839ALS/TG5932ALM/TG5934ALM/
TG5931ALS/TG2632ALS/TG2631ALS/TG1840ALS/ TG1843ALS.

● ●

50-Station Caller ID Memory*1

■ Easy caller identification
You can quickly see who's calling when an incoming call is received.

■ 50-caller memory for quick answer
If you cannot answer the call, you can easily call back at your convenience.
Applicable: All Digital Gigarange models.

● ●

Phonebook / Phonebook Copy

■ Instant recall
You can access phone numbers quickly.

■ Large-capacity memory
Built-in memory stores up to 50 or 200 station names and numbers in a single handset.

■ Convenient phonebook copy*2
